Health Effects Division (7509C)

and

Whang Phang Ph.D., Branch Senior Scientist
Reregistration Branch I
Branch/Health Effects Division (7509C)

TO: Kendra Tyler
Reregistration Branch I
Health Effects Division (7509C)

BASF Corporation has submitted two crop field trial studies in support of the reregistration of the herbicide dicamba. These studies have been reviewed by Dynamac Corporation under supervision of HED.

These studies are scientifically acceptable. The adequacy of these studies in fulfilling

requirements for reregistration will be addressed in the forthcoming Residue Chemistry Chapter to the Reregistration Eligibility Document.
